Certificate of Analysis

Product name	Ntensify® MIX 2 MANO – Enzymes		
Product Reference	10000902		
Lot Number	100005113	Lot Quantity	200
Manufacturing Date (dd-mmm-yyyy)	27 Mar 2024	Retest date* (dd-mmm-yyyy)	29 Nov 2024
Specifications references	UQTM-QCSPEC-076 V01		

Test results:

Testing	Analytical method / Compendial reference	Specifications	results
DNase Assay	DnaseAlert™ QC System (Commercial kit – fluorimetry read out)	Not detectable (LOQ < 1.56ng/ml)	Conform
RNA content **	Qubit	> 4 g/L	Conform
RNA integrity **	Fragment analyzer	≥ 80%	Conform
Capping efficiency **	HPLC	≥ 80%	Conform

*Ongoing Real time stability studies

** Functionnal Testing

We certify that batch referenced here upper conforms in full with approved Specifications.

The product listed above has been manufactured, inspected, tested and accepted in accordance with our Quality Management System.
